

# **2<sup>nd</sup> National Symposium on SHAPING THE ENERGY FUTURE: CHALLENGES & OPPORTUNITIES**

**(SEFCO-2018)**

**May 11-12<sup>th</sup>, 2018**

*Venue: LKMS Auditorium, CSIR-Indian Institute of Petroleum, Dehradun*

## **About the Symposium**

- It gives the platform to debate on the various potential transitions happening within the energy sectors and help to identify the gap between its theoretical solutions and its practicality.
- It provides the networking opportunities and aims to spread the knowledge on the recent discoveries and challenges specific to the energy sector.
- The symposium will have plenary and invited talks by eminent and highly acclaimed national speakers from academia, research institutes and industry. It will specially bring young researchers on a platform with a unique experience for professional development.

## **Themes of Symposium**

- Bio-energy and its applications
- C1 Greenhouse gases valorization
- Fuel and equipment interactions
- Non-conventional energy: Sources and Storage
- Petrochemicals: Beyond bulk products
- Sustainable process technologies

Call for abstracts: Submit abstract @ [www.sefco.co.in](http://www.sefco.co.in)

## **Important Dates**

*Submission of abstract by*

*30<sup>th</sup> March-2018*

*Abstract acceptance by*

*05<sup>th</sup> April-2018*
